a more electronically reproducible form, submitted herewith are:

- (i) Twelve (12) pages of substitute Formal Drawings on A4 paper; and
- (ii) a one (1) page copy of the Notice to File Correct Application Papers.

For the Examiner's information, the twelve pages of Formal Drawings attached herewith are not identical to the drawings which were originally filed with this application on April 21, 2004. The enclosed drawings differ due to slight variations in the fonts utilized and position of the drawings, but do not add new matter to this application. Further, the enclosed drawings were filed in the corresponding PCT application on August 5, 1999 in response to the requirement to submit formal drawings. Enclosed as Exhibit A is a two-page copy of the as-filed Response. However, the PCT did not publish these formal drawings with the application. It is Applicants' position however that the enclosed drawings are more clear and electronically reproducible for publication.

The Director is hereby authorized to charge any deficiency in any fees due with the filing of this paper or credit any overpayment in any fees to our Deposit Account Number 08-3040.
